

What's In This Folder

Everything for the Peak 11 Media web-design business, organized so you can find any document in seconds. Every file here opens cleanly as a PDF or spreadsheet.

The folders

00_START_HERE The fast orientation. The **Morning Report** (latest overnight progress), the **Pricing** sheet, and this index.

Playbooks_and_SOPs The full operating manual — 14 documents covering operations, building sites, lead-gen, sales scripts, onboarding, follow-up, go-live, management, payments, hiring, the financial model, the automation map, the QR-menu add-on, and the daily quota system.

Leads Every prospect list as a spreadsheet, plus the printable **Call First — Top 25** dial sheet ranked from the whole pipeline.

CRM_and_Financials The CRM pipeline tracker and the financial model — both live spreadsheets.

Contracts_and_Legal The service agreement, care-plan terms, and refund policy.

Clients Active client work — starting with the Avalanche Roofing build brief, the live site link, and the walkthrough video sent to Alex.

Portfolio All 16 live demo sites and the 4 premium template styles, with direct links.

Sales_Tools The call sheet, outreach drafts, the quota-dashboard note, and the Stripe payment links.
