

Avalanche Roofing — Live Links

Client: Avalanche Roofing Services LLC (West Valley City, UT) · Owner contact: **Alex Martinez**

Live website (built & deployed)

<https://consciousmirage.github.io/forge-demos/avalanche-roofing-v3/>

Mobile-first one-pager built from Avalanche's real Google reviews and real roof photos. Live right now — ready to point at the client's domain the moment Alex says yes.

Walkthrough video sent to Alex

<https://consciousmirage.github.io/forge-demos/alex/>

~2-minute walkthrough of the Avalanche site, sent to Alex with a low-pressure "if you like it, it's yours" message.

Status

Phone tag with Alex → built the site instead of pitching it → sent the video + text. Waiting on Alex. The build brief in this folder has every fact, the "ask Alex on the call" gaps to close, and the pitch line.
