

REFUND POLICY

We keep this simple. Here is exactly how refunds work at Peak 11 Media.

BEFORE YOUR SITE LAUNCHES

If you change your mind at any point before your website goes live, you get a full refund — every dollar you've paid, including your deposit. No questions, no hassle, no fine print.

AFTER YOUR SITE LAUNCHES

Once your website is live, the work is complete and delivered, so payments are no longer refundable. Before launch, you'll have seen the demo, approved the design, and had your included revision rounds — so there are no surprises on launch day.

CARE PLAN (\$49/MONTH)

You can cancel your Care Plan at any time. When you cancel, we refund the unused portion of the current month, prorated by the days remaining. Example: if you cancel halfway through your billing month, we refund roughly half of that month's payment.

HOW TO REQUEST A REFUND

Just reach out by email or phone and tell us. Refunds are issued back to your original payment method through Stripe, usually within 5–10 business days.
