To: info@rootedsalonandspa.com **Subject:** We made these for your \$50 color offer (ends June 30)

Your \$50-toward-your-first-custom-color offer ends June 30 — and right now there isn't a single graphic pushing it. So we made them for you: ten branded pieces in Rooted's earthy palette — the offer graphic, a services menu, summer color posts, and story versions, ready to post today.

See them here: <https://consciousmirage.github.io/forge-previews/rooted-salon/>

If you love them, \$149 unlocks the full pack — watermarks come off the second you do. Just reply "send it" and they're yours within the hour.

To: royaleaestheticsandbeauty@gmail.com, royale@royaleaestheticsandbeauty.com (Note: tasked to use "both gmail addresses," but a full crawl of all 100 site pages, web search, and chamber

listing confirm only ONE gmail exists. The second confirmed address is the domain mailbox on their policies page — included above.) **Subject:** We made these for your \$8.99/unit Botox special

Your first-time Botox special at \$8.99/unit is a genuinely strong offer — but the plain text banner on your homepage isn't selling it. So we made the graphics for you: ten pieces in your gold-and-black brand — the promo, a services menu, a summer post, and story versions, ready to post today.
